2. Member Specifications & Feature Requirements

Promit Krishno Sarker — Dental & Healthcare

- **Demo 1: Modern Family Dental Practice**
  - Clean teal/white medical aesthetic.
  - Instant appointment request modal with doctor selection.
  - Google Reviews badge widget and emergency contact banner.
- **Demo 2: Cosmetic Orthodontics Studio**
  - Interactive before/after smile comparison slider.
  - Clear treatment pricing breakdown (e.g., clear aligners, whitening).
- **Pitch Value:** Eliminates phone tag and converts local Google Maps searchers into

booked appointments 24/7.

Mitul Kabir Badhon — Restaurant & Dining

- **Demo 1: Contemporary European Bistro**
  - Dark, warm-toned food photography layout.
  - Table reservation interface (date, time, party size, outdoor/indoor preference).
  - Structured food menu with dietary tags (Vegan, Gluten-Free, Allergens).
- **Demo 2: Artisan Pizzeria & Trattoria**
  - High-speed mobile-first menu with clear "Order for Pickup" CTA.
  - Embedded Google Map showing opening hours and parking info.
- **Pitch Value:** Eliminates heavy third-party delivery commissions (Deliveroo, Just Eat) through direct guest engagement.

Mahmud Hasan Ratul — Travel & Tourism

- **Demo 1: Urban Walking & Cultural Tours**
  - Timeline-style itinerary cards (duration, meeting point, language options).
  - Direct guest inquiry form with group discount calculator.
- **Demo 2: Outdoor Adventure & Hiking Excursions**
  - Trail difficulty meters, elevation charts, and recommended gear checklists.
  - Weather advisory and seasonal booking availability calendar.
- **Pitch Value:** Reclaims revenue lost to high commissions from Viator and GetYourGuide by offering a premium direct booking experience.

Hasin Ishruq Nabil — Coffee Shops & Bakeries

- **Demo 1: Specialty Coffee Roastery**
  - Bean roast spectrum chart and single-origin producer spotlights.
  - "Order Beans Online" mini-store with simple checkout layout.
- **Demo 2: Artisan Bakery & Patisserie**
  - Fresh daily bake schedule with live morning status indicators.
  - Prominent click-to-navigate Google Maps button for walking traffic.
- **Pitch Value:** Converts foot traffic and remote workers searching "specialty coffee near me" into loyal regulars.

Mayan Ahmed Opu — Salons & Spas

- **Demo 1: High-End Hair & Color Studio**
  - Stylist portfolio cards with linked individual booking forms.
  - Service duration, pricing, and consultation policy breakdown.
- **Demo 2: Luxury Day Spa & Aesthetics**
  - Treatment package cards (Massages, Facials, Wellness days).
  - Digital gift voucher purchase and download flow.
- **Pitch Value:** Prevents missed appointments by enabling 24/7 self-service scheduling outside normal business hours.

ashik — Physiotherapy & Fitness

- **Demo 1: Sports Rehab & Physical Therapy Clinic**
  - Condition-specific navigation (Back Pain, Sports Injuries, Post-Op).
  - Initial patient intake questionnaire and insurance coverage FAQ.
- **Demo 2: Boutique Fitness & Pilates Studio**
  - Weekly class timetable with open-slot counters and trainer bios.
  - First-class trial pass signup modal.
- **Pitch Value:** Converts high-intent local health searches into confirmed first consultations with minimal friction.

Abdullah Rubab — Hospitality & Lodging

- **Demo 1: Boutique City Center B&B**
  - Full-bleed photo gallery with room dimension and bed specifications.
  - Direct date-range availability selector with instant rate preview.
- **Demo 2: Countryside Vacation Villa Rental**
  - Curated local attraction guide (nearby restaurants, wineries, transit).
  - House rules, check-in policy, and direct host inquiry portal.
- **Pitch Value:** Saves property owners 15–20% in booking fees typically paid to Booking.com and Airbnb.

3. European Market Quality Standards

All demo websites built by the team must comply with these technical baselines before outreach begins:

1. **GDPR Cookie Consent Banner:** Realistic, unobtrusive cookie banner with "Accept Necessary" and "Accept All" buttons.
2. **Mobile Speed Priority:** Tested to load in under 2 seconds on mobile networks (minimum 90+ PageSpeed score).
3. **Local Action Buttons:** Persistent floating action buttons for **WhatsApp Chat**, **Direct Phone Call**, and **Google Maps Navigation**.
4. **Localization Toggle:** Visual language switcher in the header (e.g., EN | DE, EN | FR, or EN | IT) demonstrating international readiness.
5. **No Broken Links:** Every button must either trigger a functional modal, scroll to a relevant section, or open an active dummy form.

4. Production & Delivery Workflow

[Phase 1: Production] --> [Phase 2: QA & Hosting] --> [Phase 3: Client Outreach]
